

# IMI PBM & Perrigo INC. Partnership

**December 18, 2024**

[IRWIN, PA] – As leaders in the industry, IMI PBM and Perrigo Inc., are no strangers to valve manufacturing and pharmaceutical process equipment. With over 200 years of wisdom between us, both companies take pride in our exceptional customer service. It is no surprise our partnership is a well-suited match.

Together, IMI PBM and Perrigo Inc., have been delivering innovative solutions to customers across the Eastern part of the United States since 2018. Built on trust and driven by service, IMI PBM's longevity, efficient lead times and punctual delivery go hand in hand with Perrigo Inc.'s proven track record of ideal client relations.

"Here at Perrigo Inc., we take pride in the fact that we're a big company that's run like a small company, and the same can be said for PBM. Agility, accountability, and attention to quality all set PBM apart from the competition," echoed Mike Haas, Vice President of Perrigo, Inc.

Located in Milford, Connecticut, Perrigo Inc., has served as a preeminent pharmaceutical process equipment supplier in the United States since 1921. Year-after-year, Perrigo Inc., features IMI PBM's ball valves suited for pure process and clean steam applications, including our unique Adjust-O-Seal® design, self-flushing ball and locking handle. They also familiarize the customer with our positioners and pneumatic actuators suitable for use in aggressive environments, offering a variety of control solutions across industries.

"The tenure of personnel at both companies provides a wealth of knowledge to clients, with not just one but two companies willing and able to solve their valve process concerns and assist with projects," noted Steve Veliky, IMI PBM Northeast Regional Sales Manager.

"At IMI PBM we take great pride in solving unique solutions to problems and continuously improve the processes required to achieve the mission," said Elisa Esasky, IMI PBM's Senior Marketing Coordinator. "We value our partnership with Perrigo Inc., and their remarkable Sales team members and counterparts who utilize their repository of knowledge across the Northeast."

This industry partnership has proven both parties rank the customer first. Building upon an already solid foundation, IMI PBM and Perrigo Inc., will aim to deliver creative engineering and quality manufacturing to address every unique customer specification well into the next decade.
